GET STARTED

Follow the directions on the attached application and send it to Ameren today! Approval is typically given within 72 hours.

When approved by Ameren, Air King Inc. will schedule an appointment to assess your heating and cooling needs, and provide you with a free quote for a new Home Comfort System. You will then have the option to sign and move forward. The entire process, from approval of your application to installation of your equipment and insulation, typically takes around four weeks.
